Re: United States v. Sims ( Isaac Mallory)  
19 cr 857 -03

Defts' request is granted. The briefing schedule is extended as follows: Govt's response papers shall be filed Aug. 25, 2020; and Deft's reply papers shall be filed Sept. 9, 2020. Clerk of the Court requested to terminate the motion (doc. 103).

Dated: July 9, 2020

SO ORDERED.

  
Nelson S. Roman, U.S.D.J.

Dear Judge Roman:

I am the attorney for Isaac Mallory, a defendant in the above captioned case. I write in reference to my representation on Mr. Mallory. I filed my pre-trial motions in this case late yesterday evening. When I referred to the Docket sheet after I filed the motion, I realized that I had not been receiving ECF communications regarding this case, as I do in all other cases to which I have been assigned. I also realized that the docket entry setting an adjusted motion schedule set July 2, 2020 as the date for defendants to file motion. I had been under the mistaken belief that those motions were due on July 7, 2020.

I now, by way of this letter request permission to file the aforesaid motions out of time. In practicality, I am asking the court to accept the motions I have already filed. The case is not set to be heard again until September. Counsel of a co-defendant has requested and has received an extension to file his motions, which now are due on July 17, 2020. If the court accedes to my request, this case will not be delayed in any way. I also consent to permitting the Government until August 25, 2020 to answer the motion.

Early today I sent a message to AUSA Logarajah in an attempt to obtain his consent to this application. I have not yet heard back from AUSA Logarajah.

Respectfully submitted,

  
Patrick J. Joyce
